

# Field Trip Permission Slip - Kindergarten

We have been learning a lot about science. What better way to put it into practice than a trip to OMSI?!

## **Oregon Museum of Science and Industry**

There will be an Orientation with safety rules and expectations before leaving, children will be placed into groups. Once there, students will be assigned to a Lab to participate in. There are 3 different labs offered, and each class will have a group in each. Lastly, after we get back to class, we will discuss what the students learned, create a presentation with each group, and then they will take turns teaching the class what they learned at OMSI.

**Location: Oregon Museum of Science and Industry, 1945 SE Water Ave, Portland, OR 97214**

We will be going to OMSI on **Tuesday, April 21st** at 10:00am.

We will be leaving MLA at 9:30am and will return to MLA by 11:45pm. We will be back in time to have a late lunch at MLA.

Each class has enough admission tickets to bring **no more than 4 parent chaperones per class**. If you would like to chaperone, please be aware that we need all chaperones at MLA no later than 9:10am. **ALL chaperones MUST be approved through the MLA office to attend the field trip – any adults not approved will not be allowed to attend.**

Admission Tickets are \$5 per person.

For information, or if you wish to chaperone, please contact the teachers in charge of field trip:

*Ms. Ruddell*
